# Health Insurance

Erasmus students must obtain valid private health insurance in Turkey.

The private insurance costs around 35-40 € for six months.

Personally, I paid 380 ₺ on 11.02.2022 at Atakan Sigorta (Karaman, Meltem Cd. N:3 A, 03100)  
0 272 214 78 78  
[www.atakansigorta.com.tr](http://www.atakansigorta.com.tr)

I suggest you go there with your mentor. Also, don't forget your passport.

# Residence Permit

If you come to Turkey for 90 days or more, you will need a residence permit.

For Residence Permit, students are required to collect the following documents:

Passport copy-Visa  
Four biometrics photos  
A photo in CD (width 220 pixels, height 290 pixels)  
Student Enrollment Letter (AKU-IRO)  
Acceptance Letter (AKU-IRO)  
Health Insurance in Turkish  
Dormitory Address Letter (It will be taken from the place you are staying in).

\*Try to get your visa before coming here if you stay more than 90 days. You will pay less for residence permit
